

Top 5

tips for entering

RICS[®]

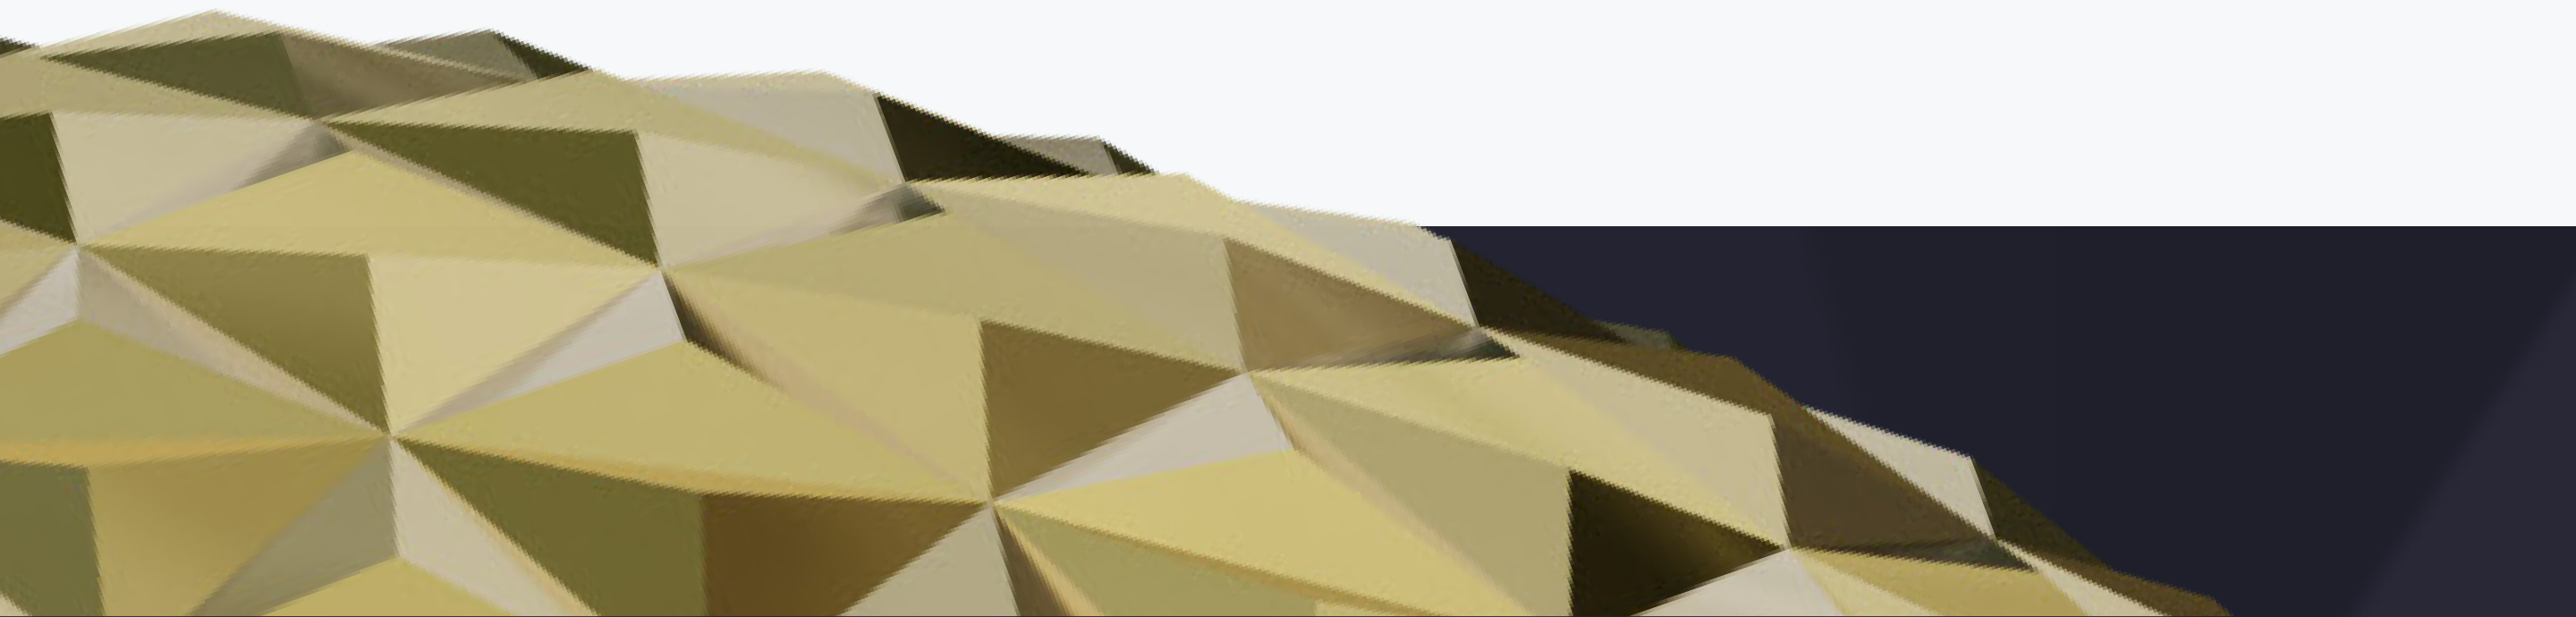

AWARDS
2024

TIP 1

Prepare

Allow enough time to compile your entry and gather all your achievements so you can select the very best to showcase in the final submission.

TIP 2

Choose the right project,
team or individual

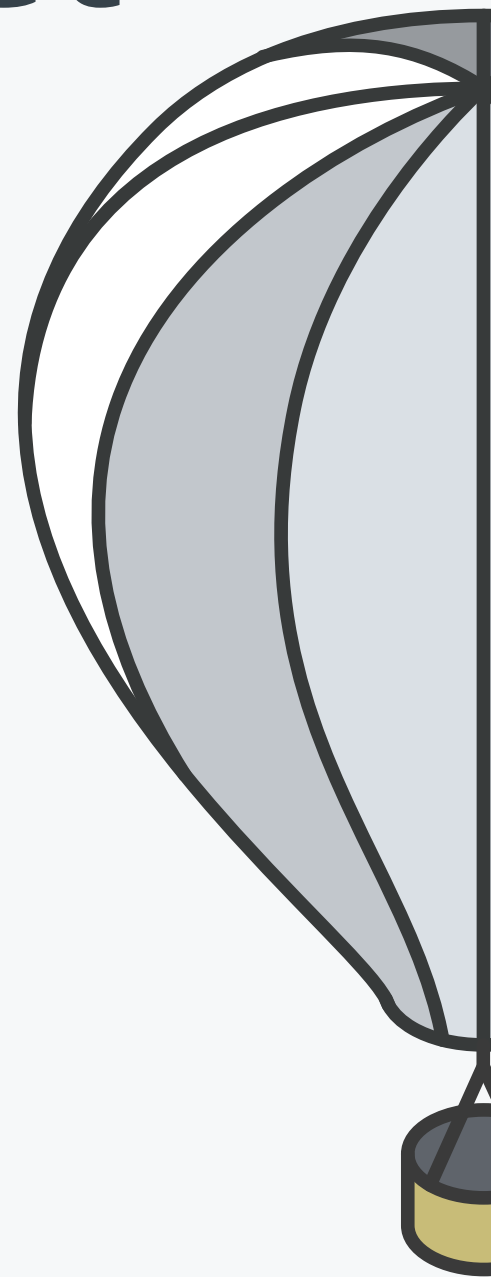

Think carefully about the
depth of material you'll need
to put together when writing
an award entry.

TIP 3

Measure your impact

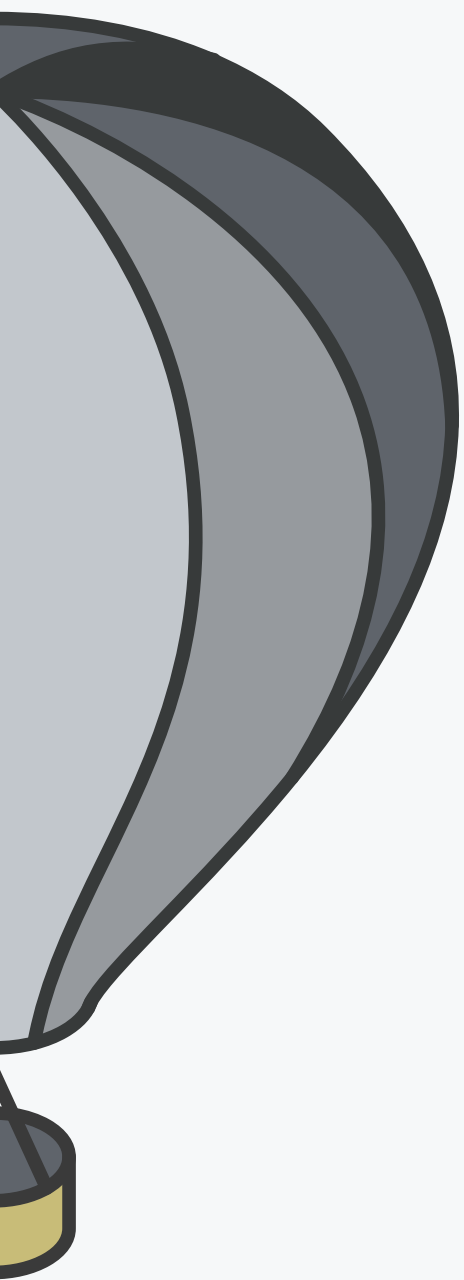

Consider your role as an ambassador of the profession, not the monetary value of the projects you have completed.

TIP 4

Share examples
of your work

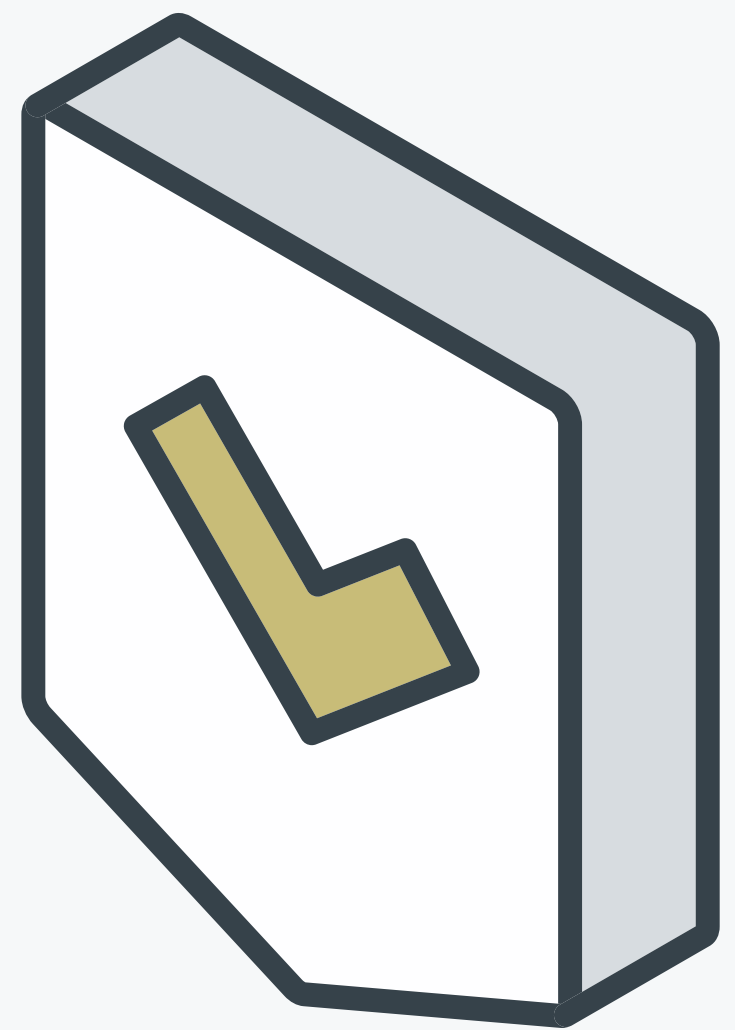

This will demonstrate your
passion & enthusiasm for the
profession.

TIP 5

Include testimonials

This will support the authenticity of your application.
