Why enter the Awards?

Each year the RICS Awards showcase the most inspirational initiatives and developments in land, real estate, construction, and infrastructure – and 2024 will be no different.

The awards are a perfect platform to highlight how the profession impacts local communities and the wider built and natural environment.

During May and June, we will host regional events to celebrate the achievements, and announce which projects from the 12 regions are going forward as a finalist to compete at October's national event.

Finalists and Award winners will have PR support from the RICS and the chance to be featured in online, print, and filmed content.

RICS Awards are highlighted on all our social media channels with over 260,000 followers on LinkedIn and an ever-growing myRICS global community.

Award winners will receive both hard-copy and digital RICS Awards marketing assets.
