European Property Investment Update 2025 in London, co-organised by Property Forum and RICS, is a premier event for real estate professionals eager to stay ahead of the latest trends and insights driving property investments across Europe.

This is the fifth iteration of our London event, held in partnership with RICS at their headquarters on Parliament Square. The conference will bring together influential European real estate investors and provide a platform for market players from various geographies to present themselves and share their insights.

This event is a must-attend for anyone looking to explore new investment opportunities and stay informed about the latest trends. Featuring informative panel discussions and ample networking opportunities, you'll be able to connect with like-minded professionals and gain knowledge to make informed investment decisions.

Why you should attend:

Learn from expert speakers, including influential investors, CEOs, and market analysts.

Participate in sessions addressing the most pressing topics in the European real estate market, from economic forecasts and investment strategies to emerging trends across different regions.

Build valuable connections during networking breaks and cap off the day with a lively closing reception.
