

# RICS Matrics UK Board Strategy 2026

**Mission Statement:** To enable the next generation of surveying professionals, by creating a platform to build connections, influence the profession, and support career development.

As a member of the Matrics UK Board, you will play an active role in delivering the RICS Matrics UK strategy. Built around three interconnected pillars, our strategy guides our activities and priorities. Each Board member is assigned a lead focus area which typically aligns with their interests, skills and experience, while also contributing to the wider work of the Board across all three pillars. These are shown below:

## Connect

Providing valuable connections

Committee Business Plans

Marketing and Sponsorship

Diversity, Equity and Inclusion

## Develop

Professional excellence and advance knowledge
