

2025 Roundup

RICS in South West & Channel Islands

Local member groups

Highlights

Over 100 attended the **Innovation in Conservation** session organised by the Bristol Local Member Group, celebrating and raising awareness of the work of surveyors in heritage.

Our Plymouth network took to the great outdoors for a **Spring in Your Step** guided tour of the moors.

Development Matters was the focus for the Exeter group's popular annual autumn CPD and networking evening.

Our Guernsey group relaunched with some **Tech Talk and Tinsel**, with a CPD session on Ai, followed by some Christmas networking drinks.

Bristol and Plymouth networks joined forces with local RICS Matrics group to welcome and celebrate our newly qualified members.

RICS Matrics

Highlights

Padel ball, cheese and wine tasting, a trip to the Bristol Bears and a joint profession property Mixer have been just some of the social networking events hosted by **RICS Matrics Bristol** this year.

RICS Matrics Cornwall kicked off the year with a CPD session on expert witness matters and continued 2025 with a tour of the Leach Pottery and several social and sporting networking event, including some interprofessional beach games.

A maritime mixer around Plymouth docks and a Surveyors Against Sewage beach clean in Exmouth were some of the standouts in **RICS Matrics Devons** event programme.

Candidate support was a focus for all groups with a number of APC sessions organised.

Next generation

Candidates

Coffee, cake and candidate sessions were held this year in Bristol and Plymouth. Informal meet and greets designed to connect candidate to the local network and raise awareness of the all the support resources available.

Universities

Engaging with RICS accredited institutions, include UWE, RAU and University of Plymouth to deliver presentations on RICS.

Schools and colleges

Engaging at careers events throughout the regions including Marine Academy, Plymouth and Constantine Primary School, Falmouth as part of the Dream Big Day.

Thank you for your
continued support
