Contract Administration Services

For use with the RICS Standard or RICS Short Forms of Consultant's Appointment

Additional notes

General

1

- These Services should be completed by inserting a 'tick' in the box next to the Service to be provided. For further information, please refer to the RICS Standard or RICS Short Form of Consultant's Appointment explanatory notes.
- All other Services that are not ticked shall be deemed to be Additional Services under the terms
 of this Appointment.
- Any bespoke Additional Services agreed between the Client and the Consultant should be inserted in Section 9.
- A schedule of 'typical' meetings is included with these Services in the Appendix. Completion of this schedule is also recommended.
- Refer to the current edition of the RICS guidance note *Contract administration*.

additional expenditure under the Building ☐ 1.1 Attend Client, design, Project, Site and Contract. other meetings as provided under this ☐ 2.3 Clarify the terms of appointment for each Appointment. member of the Professional Team defining ☐ 1.2 Convene and chair all principal Project clearly the relevant duties and roles. meetings. ☐ 2.4 Confirm that the level of professional ☐ 1.3 Liaise with the Professional Team and indemnity insurance to be provided by contractors to prepare regular/monthly each member of the Professional Team is in quality, progress and cost reports. Advise the accordance with the recommendations of the Client of any decisions required and obtain Client's insurance advisers. necessary authorisation to progress. ☐ 2.5 Advise the Client generally on project ☐ 1.4 Set up and implement change control insurance requirements (Note: advice as to procedures addressing Project, design and insurance products will be provided by the construction change. Client's insurance advisers).

2 Commencement

- ☐ 2.1 Obtain any relevant background information from the Client including appropriate limitations.
- ☐ 2.2 Agree with the Client an appropriate level

☐ 1.5 Comply with the *Construction (Design and*

Management) Regulations 2015 (CDM 2015)

insofar as they relate to this Appointment.

3 Statutory compliance

Project.

☐ 3.1 Confirm with the appropriate authority whether the property is listed, whether this applies to the whole or part of the building or within the curtilage of the property, and report to the Client.

☐ 2.6 Establish the procurement route of the

of authority to instruct works that will incur

	3.2 Confirm with the appropriate authority whether the property is in a conservation area and what restrictions may apply, then report to the Client.		5.5 Inspect the quality of site management and organisation of the principal Contractor and the other contractors undertaking the Project.

Appendix B: Glossary of terms

The following additional definitions shall apply where the RICS Short Form of Consultant's Appointment is used:

Building Contract	The contract or contracts between the Client and the Contractor for the construction of the Project, a copy of which (or a copy of relevant extracts of which) the Client provides to the Consultant.
Contractor	The contractor or contractors that the Client appoints under the Building Contract.
Site	The site on which the Project is being undertaken.

Delivering confidence

We are RICS. Everything we do is designed to effect positive change in the built and natural environments. Through our respected global standards, leading professional progression and our trusted data and insight, we promote and enforce the highest professional standards in the development and management of land, real estate, construction and infrastructure. Our work with others provides a foundation for confident markets, pioneers better places to live and work and is a force for positive social impact.
