

## Guidelines for the personal use of the RICS logo and designations by RICS-qualified professionals

With effect from 1 April 2019

## These guidelines set out the range of branding options available, with detailed information regarding correct usage.

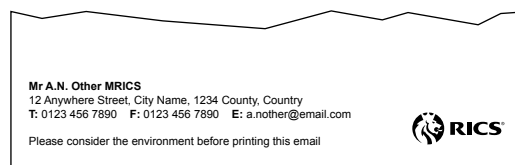

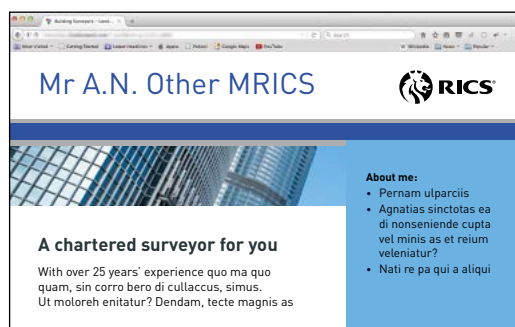

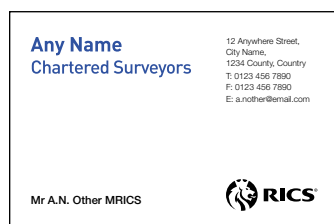

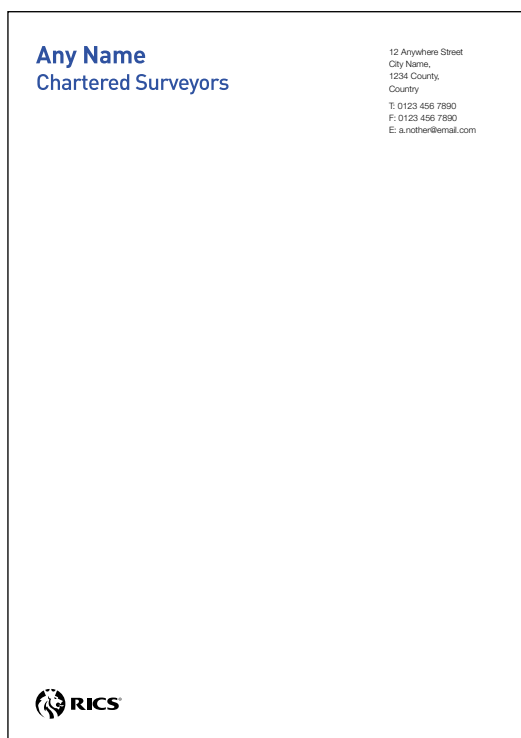

### Personal use of the logo

As a qualified RICS member, you have the right to use the logo for personal use, whether you are a partner, director or employee. This applies to all qualified members – **Fellows (FRICS)**, **Professional Members (MRICS)** and **Associate Members (AssocRICS)**, no matter what type of organisation you work for.

Examples of personal use –

- Your business cards
- Your personal email signatures
- Your personal letterhead
- Your personal website
- A web page specifically about your professional experience as an RICS-qualified professional.

If you are a member at a regulated firm, you are also entitled to use the logo on firm material – Please refer to **Guidelines for the use of the RICS logo and designations by firms.**

## Using the logo

The logo must always be shown as illustrated in these guidelines (**fig.1**). It cannot be altered in any way (**fig.2**).

The RICS logo is a registered trademark and should not be altered.

fig.1: Registered master logo

TM Version [for use only in Brazil, Japan and Thailand].

fig.2: Not permitted

## Minimum clearance around the logo

Here shows the minimum clearance area around the logo (**fig.3**). There should be a minimum space around the logo equivalent to the size of the capital R.

fig.3 Minimum clear space around logo

## Colour

The logo can only appear in black or white (**fig.4**). You must not use other colours, or add effects such as drop shadows or gradients (**fig.5**).

fig.4: Preferred colours – Black or White

fig.5: Do not use other colours, or add effects such as drop shadows or gradients

## Minimum size

The table below (**fig.6**) shows the recommended size to use the RICS logo on different paper sizes. The absolute minimum size for the logo is 9mm. This is measured as the height of the lion's head.

**There may be times where the minimum size is still too big for your artwork – very small advertisements, for example. Please contact the RICS Brand Development for advice in this instances.**

fig.6: Suggested sizes for logo:

Minimum height	9mm
DL	14mm
A5	16mm
A4 letterhead	14mm
A4	20mm
American A4	20mm
A3	30mm
A2	46mm

## Digital use of the logo

To maintain clarity and legibility the logo should be at a minimum size of 72 pixels wide (**fig.7**) for the master logo. In certain digital scenarios it is acceptable to use the stacked logo, where the minimum size is 38px wide (**fig.8**).

fig.7: Minimum size for the master logo

fig.8: Minimum size for the stacked logo

## Chartered surveyor designation for RICS-qualified professionals

The designation “**Chartered Surveyor**” may be used by a sole practitioner who is a chartered member.

The right way to display this designation is as follows:

Joe Bloggs FRICS  
Chartered Surveyor

If you are a member at a regulated firm, you are also entitled to use the designation “**Chartered Surveyors**”. Please refer to **Guidelines for the use of the RICS logo and designations by firms**.

## Confidence through professional standards

RICS promotes and enforces the highest professional qualifications and standards in the valuation, development and management of land, real estate, construction and infrastructure. Our name promises the consistent delivery of standards – bringing confidence to markets and effecting positive change in the built and natural environments.
